JACK!

A new musical for families featuring
'Jack' tales from the beanstalk and beyond!

Written and composed by David Gibb

Directed by Tristan Pate

Suitable for children aged 5+ and their families.

*Have you heard about Jack?
Come on, tell us a tale,
When you need a good story,
Jack never fails!*

For as long as tales have been told, the character of Jack has been a constant presence in stories. Sometimes clever and cunning, sometimes lazy and foolish, but always coming out on top, fairy tales, folklore and nursery rhymes are full of tales of a lad named Jack.

Now, in this new musical for families and children, discover the truth behind the original fairytale hero. Join Jack in his many guises as he seeks his fortune, finds the love of his life, learns the perils of a pail of water and, of course, takes on the fearsome giant.

JACK! features traditional stories, original songs, and brilliant live music. With lots of opportunities to join in, families will be singing along before you can say Fee Fie Fo Fum!
