A musical adventure among the  
Library shelves for families aged 5+

# ABOUT THE SHOW

Give your families audiences a musical adventure among the library shelves with our new adaptation of the much-loved picture book written by Waterstones Children's Laureate Joseph Coelho and illustrated by Fiona Lumbers. This is a one hour show for children aged 5+ and their families, perfect for weekend, half term and twilight family shows.

*Luna Loves Library Day The Musical* is a new musical for families and children based on the picture book by Waterstones Children's Laureate Joseph Coelho and Fiona Lumbers. It has been adapted for the stage by Joseph and composer and songwriter David Gibb.

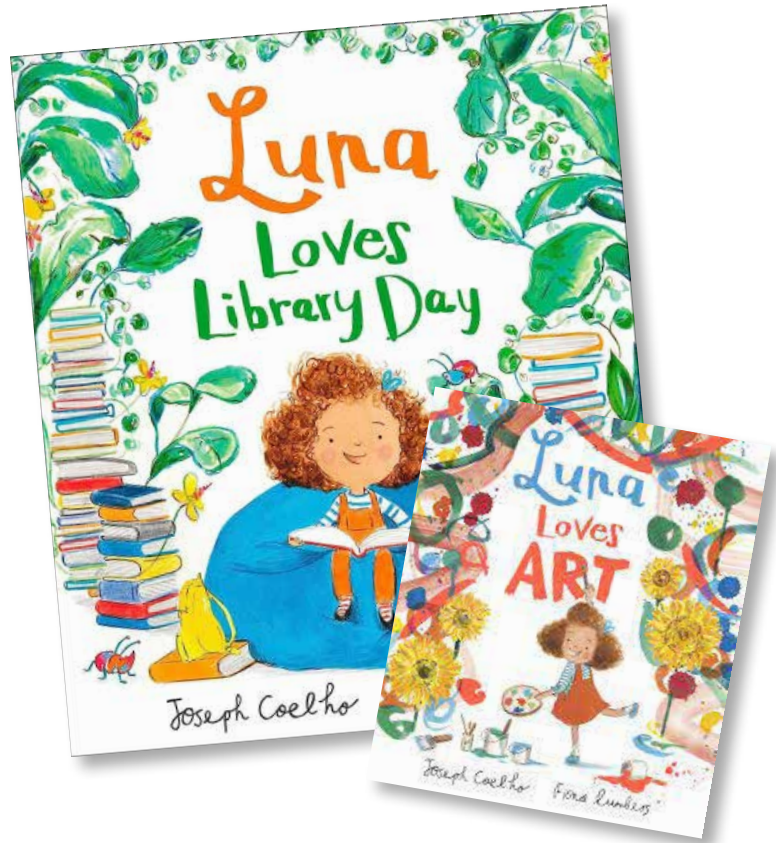

The production is directed by Dermot Daly and was commissioned and co-produced by Z-arts, in Manchester, previewing there in October 2023.

It is supported by Wonderarts, The Story Museum, Big Imaginations, Manchester City of Literature, and Arts Council England.

## The 'Luna Loves' series

*Luna Loves Library Day* is the first of four books that gently and beautifully explore what it means for a child when their parents choose to separate. Full of humour, kindness and warmth, the first book was published in 2017, and other titles in the series include *Luna Loves Art*, *Luna Loves Dance*, *Luna Loves Christmas* and *Luna Loves Books*. All the books are published by Andersen Press.

Our production focuses exclusively on *Luna Loves Library Day*. It tells the story of how Luna and her Dad explore the shelves of the library finding magic, mystery and joy, and begin to mend their own history.
